SPECIALIZZAZIONI

I obtained the scientific high school leaving certificate in G.D. Cassini Lyceum, during the school year 1977-1978, in Genoa.

On the 12th April 1989, in Genoa, I graduated with first class honours in medicine exposing my degree experimental thesis which was entitled: "Lo sviluppo relativo della componente epiteliale in polipi adenomatosi dell'intestino crasso. Studio morfometrico ed allometrico su polipi singoli della poliposi multipla familiare" (involving the epithelial growth observed in large bowel polyps), with Prof. D. Buffa as referee

On the 19th October 1993 I specialized as Pathologist with first class honours, discussing my thesis that was entitled: "Gastrite cronica associata ad Helicobacter Pylori: alterazioni degenerative epiteliali e modalità di colonizzazione della mucosa gastrica" (on Helicobacter Pylori associated chronic gastritis), with Prof. A. Badini as referee.

ESPERIENZA LAVORATIVA

Starting from the 10th of June 1991 worked in the "U.S.L. 1" in Imperia, as full-time Pathologist, and according to the laws n. 321 (17th.03.95), "D.LGS. n.502/92 art. 18 punto 2 bis" I became a 1st level one.

On the 1st of August 1998, according to the CCNL Art. 51 and following ones, I got a C3 level and thus I have been involved in skin and gastro-intestinal pathology.

From 16th January 2001 to 31th October 2004 I have worked in "San Martino", Pathological Anatomy Department Hospital, as Pathologist Assistant to Mr. M. Canepa and J.L. Ravetti, the head physician of the department.

I got hired on the 1st November 2004 by "Giannina Gaslini" Scientific Institute, Pathological Anatomy Department, as Pathologist Assistant to Mr. C. Gambini, the head physician of the department.
