**A.1 English**

**A.2. Italiano**

**B. SUMMARY DESCRIPTION**

**B.1 English (max 2.000)**

**B.2 Italiano (max 2.000)**

**C. BACKGROUND /STATE OF ART** (max 4.000 char)

*- Provide the key information on the topic of the proposal*

**D. HYPOTHESIS AND SPECIFIC AIMS** (max 20.000 char)

*Define the rationale of the project, the preliminary work that support the proposal. Delineate a sharp experimental design with main or innovative methodologies, and organized it into work-packages. Define responsibilities and interactions among participants (who is doing what).*

**D.1. Hypothesis and rationale**

**D.2 Preliminary data**

**D. 3 Specific aims**

**D.4 Work-packages**

**D.5. PERT chart**

**E. EXPECTED OUTCOMES AND DELIVERABLES** (max 4.000 char)

*- Clearly define the outcomes the project will reach and payable milestones*

**F. INNOVATION** (max. 2.000 char)

*- Clearly define the innovation potential of the project, highlight the novelties the project will bring to the Institute.*

**F.1 New technological developments (facilities, services)**

**F.2 Innovative procedures**

**F.3. New expertise and human resources**

**G. RISK ANALYSIS, POSSIBLE PROBLEMS AND SOLUTIONS** (max. 2.000 char)

*- Highlight possible internal and external risk factors and delineate a contingency plan*

**H. DESCRIPTION OF THE COMPLEMENTARY AND SINERGY RESEARCH TEAM** (max. 4.000 char)

*- Highlight the interdisciplinarity of the project and interactions. List national and international collaborators (add collaboration letters for key external collaborators, in English)*

**- H1. Description of the Research Units and definition of PIs.**

**- H2. Relevant collaborations**

**I. BIBLIOGRAPHY** (2.000 char)

*- Full references in PubMed Style*

**L. TIMELINE (GANNT CHART)**

*- Define timeline on three-months period*

**M. MILESTONES** (1.000 char)

*- For project management define key milestones in the first 24 months of activity*

**N. EQUIPMENT AND RESOURCES AVAILABLE** (max 2.000 char)

**O. TRANSLATIONAL RELEVANCE AND IMPACT FOR INSTITUTE GASLINI** (2.000 char)

## P. BUDGET

### P.1 Breakdown per Unit

COSTS	TOTAL BUDGET
1. Researchers' contracts ( <i>max 50% per UO e su TOT</i> )	
2. Equipment	
3. Supplies	
4. Subcontracts and services (e.g. animal housing) ( <i>max 10%</i> )	
5. Patient costs	
6. IT Services and data bases	
7. Publication costs ( <i>max 2% su TOT</i> )	
8. Training & Dissem (Convegni). ( <i>max 3%</i> )	
9. Travels ( <i>max 2% TOT</i> )	
10. Coordination costs	
<b>TOTAL</b>	

### P.2 Budget Breakdown per Year

COSTS	YEAR 1	%	YEAR 2	%	YEAR 3	%

**P.3 Budget Justification** (selected items)

1. Research Contracts. For each contract specify:

Role on Project:	Annual Effort %:
Name (if available):	Degree:
Type of Contract:	Is this Contract already active?

2. Equipment. For each instrument specify

Description:	Running Costs: yes/no
--------------	-----------------------

4. Subcontract and services. For each subcontract or service specify:

Justification:	Recipient:
----------------	------------

5. Patient costs

Justification:

**P.4 Additional financial support and co-funding** (NOT in kind).

*- List the available CURRENT grants/funds from private or public organization for co-funding. For each support:*

Granting Agency:	Title of the Project:
Start Date:	End Date:
Gross Amount:	% Available to this project:
Brief Description (max 800 char):	Specify Overlaps with this Application (max 800 char):
